

CAMP KANUGA

LEADERSHIP ACADEMY PACKING LIST

IMPORTANT INFORMATION

The Leadership schedule is one week of training at Camp Kanuga and two weeks at various church locations; or it will continue throughout the duration at Camp Kanuga for Day Camps. Leadership will use bunks from camp the first week and air mattresses at the off-site church locations.

Off-Site Trips and Spending Money:

There will be opportunities to have free time away from Camp Kanuga and the church locations. This may include trips to downtown Hendersonville, a shopping center in Asheville, or the pier in Saint Simon's. We will occasionally eat dinner at these locations. There will also be times, as we travel to the next church location, where we will eat dinner at a fast food restaurant. Students should have extra spending money for this purpose.

Campers may also need money for the laundry mat if the church location does not have a washer and dryer.

Laundry Information:

Leadership students will have the opportunity to do laundry on the weekends before going to the next location - once at camp, and other times at the church locations. If the host church does not have a washer and dryer, there will be an opportunity to go the laundromat, if necessary.

The camp will provide all sports and safety equipment. Tobacco products, alcohol, and illegal, non-prescription drugs are prohibited. Kanuga will not be responsible for damaged, stolen jewelry or other valuables.

CELL PHONES

Cell phones will be collected at the beginning of the session and returned the last day of session.

Camp is a unique environment. During the camp experience, youth develop life skills including independence and self-reliance. We respect and appreciate the wonderful relationship youth and families have, but if campers are to enjoy camp fully they must be able to develop this independence.

Hiding Cell Phones: We appreciate that most families will honor our request and support our reasoning for not allowing cell phones at camp. We also recognize that some families may feel that hiding a cell phone in camper luggage is OK. Keep in mind that by doing this YOU are teaching your campers that it is OK to break the rules as well as creating a level of distrust between the camper and counselor. If you are unable to send your camper to camp without a cell phone then you or your camper may not be ready for the camp experience.
