CAMP KANUGA

Summer Staff 2023

PACKING INFORMATION

Having adequate and proper gear can make or break a Camp job. The weather in the western North Carolina mountains changes daily and often. Having adequate gear greatly improves the summer staff experience. Please follow this list carefully and reach out to Camp staff with any questions or concerns. We recognize gear is expensive, and while you get what you pay for, there are many ways to get creative with acquiring gear that meets your needs while staying on a budget.

Important Things to Consider:

- **Base Layer:** The base layer is meant to help regulate body temperature by wicking moisture away from the skin. Merino wool and synthetic fabrics are great for this. Cotton retains moisture and can leave you feeling cold and wet, so wool or synthetic materials are a great option. This piece of clothing should fit close to your body as you will often wear other layers over it.

- **Insulation Layer:** This layer will help you retain heat by trapping it close to your body. Fleece or wool jackets are great fabrics for this.

- Shell Layer: This is your most important piece of equipment. The shell layer, or top layer, is meant to protect you from wind, rain, etc. This layer should be big enough to fit over both the base and insulation layers that you will wear underneath. A shell should be wind resistant, waterproof, and insulated.

Bags, Packs, and Storage:

<u>- Duffel Bag (60-90 liter)</u>: travel with all your gear in a duffel bag. This bag should be strong enough to withstand travel and big enough to hold all your stuff. Anything brought to Camp that does not go offsite stays in your duffle bag or trunk.

<u>- Compact Drawers (3-4 drawer set)</u>: (optional) drawers can be a valuable tool for accessing your clothes as you live in cabins. A trunk or duffel is fine, but drawers allow easy access to your belongings.

<u>- Backpacking Backpack (60-80 liter)</u>: A large pack designed for overnight backpacking is ideal. The pack needs a waist strap, shoulder straps, chest strap, and other adjustable straps that come standard in a backpacking style pack.

- Small Daypack Backpack (25-35 liter): You will be going on offsite day trips and will want to bring a daypack to carry a lunch bag, rain gear, water bottles and other personal gear.

<u>- Trunk:</u> Plastic trunks and storage containers are a good option for packing all your clothes in. Keep in mind, trunks are heavy and bulky and do not transport well from cabin to cabin.

Lodging:

- Counselor: (**note**: Counselors will likely move cabins after each session. Be mindful of how transportable your belongings are!)
 - Cabins: 13 camper beds; 1 crew bed; 2 counselors beds w/ twin mattresses
 - Attached Bathroom: 2 toilets; 2 showers; 4 sinks; bench; shelves; hooks
- Crew:
- Cabin: 13 camper beds; 1 crew bed; 2 counselor beds
- Attached Bathroom: 2 toilets; 2 showers; 4 sinks; bench; shelves; hooks
- Support Staff:
 - Cabin: 2 4 beds
 - Attached bathroom for most support staff cabins: 1-2 toilets; 1-2 sinks; 1-2 showers; shelves; hooks

Page **L**

Laundry:

The Chalet has a laundry room. Plan to bring your own laundry soap. You will have time to do laundry on your hour breaks, your half days off, and your time off on session breaks.

Activity Specific Clothes:

- Zip Lining: long shorts or pants (so that the harness is on clothes, not skin), sneakers
- **Backpacking:** wool & synthetic clothes, durable boots, fleece jacket, rain jacket
- Water activities: activewear (sporty and reliable) swimsuit; water shoes; beach towels
- County Fair Night: themed clothes like overalls, denim, straw hats, plaid, flannel, bandana, etc.
- Mountain Biking: shorts, synthetic shirt
- Camp Out: warm wool or synthetic, clothes, fleece jacket, wool socks, sturdy shoes
- Climbing Wall: long shorts, (so that the harness is on clothes, not skin), sneakers, breathable clothes
- Giant Swing: long shorts, (so that the harness is on clothes, not skin), sneakers, breathable clothes
- Blacksmithing: closed toe shoes
- Low Elements: closed toe shoes
- Color Games: color clothes: green team, red team, blue team, yellow team
